SPONSOR A RESIDENT

With a simple action you take what a difference you can make

St Mark Cozy Home is reaching out to the generous public to extend a helping hand in paying the difference of the room rates of the residents of SMCH. Up to this time, SMCH has been subsidizing the difference however, the rising cost and expenditure and the unexpected pandemic cost has taken a toll on us.

Thank you for your support. We will contact you for the mode of payment.

** If you are interested, we can arrange for a visit and also update you if there is a prayer need.
