

FINAL YEAR UTAR NURSING STUDENTS

On 6th March 2024, 11 students and a Lecturer came to Cozy Home to conduct an interview and assessment with the Residents. They asses 6 Residents' for their interview. The objective of the interview and assessment is to expose the students to understand the elderly so that when they graduate the students will be able to provide better care to the elderly. At the end of the day, they gave a small refreshment for the Residents who were involved in the interview.
