

EVENING ACTIVITIES BY THE MALAYSIAN BIBLE SEMINARY STUDENTS (MBS) 2024

This year we had students from Malaysian Bible Seminary who is an interdenominational evangelical seminary located in the town of Kuang, Gombak District Selangor Malaysia to train local Christians preparing for ministry. The students from the Union of the Chinese Department of Malaysia Bible Seminary requested to the academic office to visit the elderly at St. Mark's Cozy Home, with the intention of interacting with them through various activities to show care and companionship. The students have been coming over for almost five months and they conduct the evening activities with the Residents for an hour assisted by the Physiotherapist.
